Abbreviations

Note: There are two kinds of terminology used for crochet patterns, British and US. The US terms are given in brackets where they differ from British terms.

ch	chain	x	times. For example "x 2" means to do a sequence of stitches two times more.
dc	double crochet [US sc, single crochet]	*	symbol to show where to repeat a sequence of stitches from
tr	treble [US dc, double crochet]	rep	repeat
st-tr	standing treble [US st-dc, starting double crochet]	()	used to show a sequence of stitches that belong together. For example (3tr, 3ch, 3tr) is a sequence that makes a corner.
st	stitch		
sp	space		

This pattern is for changing colours after every round.

Make a magic ring.
